THE DE BAR CASTLE CO.

Articles of Incorporation Filed
Yesterday.

The articles of incorporation of the De Bar Castle Company were filed with the clerk of the Third District Court, yesterday. The company is organized for the purpose of engaging in the raising, buying and selling of all kinds of stock, and holding land in the Territory of Utah and the State of Colorado. The ranch is situated in Garfield County, Colorado. The capital stock of the company is placed at \$90,000, divided into 9,000 shares of the par value of \$10 each.

The amount of stock subscribed for by the incorporators is as follows:

NAME	SHARES
F. A. Bascom, Salt Lake City	1,425
Edward T. Ayer, Salt Lake City	2,500
Heddie M. Critchlow, Salt Lake City	750
Heddie M. Critchlow, Guardian, Salt Lake City	600
Edward T. Ayer, Salt Lake City	300
A. B. Critchlow, Denver, Colorado	1,425
Eliza G. Davis, Cincinnati	2,500

The company is to exist for fifty years, unless sooner dissolved according to law. Salt Lake City is named as the principal place of business of the corporation. Edward T. Ayer is named as president of the company, A. B. Critchlow as vice-president, and F. A. Bascom as secretary and treasurer, and the term of office is fixed at four years. There is the usual provision that the private property of the stockholders shall not be liable for the debts of the company.

The School Books.

The following letter was received recently by Mr. James Dwyer, who states that there are many children in the schools who are under 8 years of age and over 10. This fact is evidently not known or taken into consideration by the Bancroft Company, as all of the books that have been sent to dealers by this company have been distributed exactly as ordered:

SAN FRANCISCO, December 5, 1887.

Mr. James Dwyer, Salt Lake City:

Dear Sir:—We notice an article in yesterday's San Francisco Chronicle relative to Bancroft's Readers in Utah. We give you an exact statement of the facts.

At the time our books were adopted we were unable to procure from the Territory superintendent or county superintendents a list of the number of Readers to be used, so we were unable to order a supply of books to advance sufficient to try in the season, to meet the demand. We did all orders sent to us, excepting at one time the publishers were out of paper for about two weeks and orders were delayed, but all have since been filled.

With a letter received from your November 28th was attached a cutting from a Salt Lake paper, giving the "School Census," July 18, 1887, Total number of school children, 13,000.

Up to this date we had shipped, and in the hands of Utah dealers, 65,000 Readers, or 12,000 in excess of the number of pupils in the Territory to date. We now have 7,000 more Readers on the way to Salt Lake dealers, making a total of 13,000 Readers in excess of the number of school children.

Please protect our interest in this business, and charge

Yours truly,

THE BANCROFT COMPANY

By Ed C. GRAFF.

BEFORE JUDGE PYPE.

A List of the Miserables in the Police Court.

In the Police Court, yesterday, Henry McKean, an old offender, was fined \$15

for being drunk.

Hyatt George, pleaded guilty to being

drunk and was fined \$5.

E. Stagner for stealing a ride on the

D. & R. G. from Ogden to Salt Lake,

was fined \$10. He will labor for the city

for ten days.

C. E. Anderson, who was tried on

Tuesday for committing an assault on

Mrs. De Graff, was fined \$50.

Robert Bruce and Mark E. Merrill

were tried on the charge of fast driving.

Bruce was found guilty and fined \$10.

Sentence was suspended in Merrill's

case.

Elizabeth Briscoe, an old lady, was

tried on a charge of battery. It appears

that Mrs. Briscoe has been frequently

annoyed by hoodlums coming to her

door and disturbing her. On a recent

occasion she threw a coal shovel at the

boys, and hit one of them on the hand,

and the boy had her arrested. Sentence

was suspended.
